Dear Dr. Xinqi Zhu,

I am the volunteer of AI TIME, Li, Jianquan. I am writing to invite you to share your publication in ICML 2021 .

AI TIME is a forum founded by a group of young scholars at the Department of Computer Science, Tsinghua University who dedicated themselves to the development of AI. The history of AI TIME tracks back to the ‘AI TIME science debate’, initiated by Academician Zhang, Bo, Prof. Tang, Jie and Prof. Li, Juanzi at Tsinghua University. AI TIME rallies researchers specializing in the field of artificial intelligence. The goal of AI TIME is to explore the essence of AI foundations, theories, algorithms, and applications, with an emphasis to encourage debate on AI-related topics. AI TIME is establishing itself to be a premier gathering for knowledge sharing around Beijing, and all over China.
